1) Recital, History & Mission

Swayamsiddha mahila mandal Latur herein after referred in short as SMM for brevity was founded in 1996 in Latur & was registered under Societies Registration Act & Public Trust Act. SMM was founded by Adv. Mrs. Smita Sharadchandra Parchure, who happened to be 1st lady advocate of Latur district and had worked as advocate since year 1976 to 1982 and thereafter was not practicing as advocate but dedicated herself for cause of poor women.

After the disastrous earthquake of year 1993, Mrs. Parchure and her like minded friends solemnly commenced activity to help affected women in distress and sensed to establish a trust to help needy women and their dependant children on permanent basis.

Thus SMM was established on 15th Feb. 1996.

SMM was formed with the aim of helping women in distress to generate awareness in the issues of women & children and to empower orphan girls below poverty line & women in distress.

The Backbone of SMM's activities is based on doctrines like **Self Confidence, Swadhar, Independence, equality & respect for girls, women & culture.**

The Focus is clearly on development of the downtrodden women facing problems, orphan children, neediest section of poor people and rural/urban sector of communities helping them to help themselves.

There are many institutions devoted for specific social cause and aspects like HIV affected, Trafficked persons, Dumb & blinds, Leprosy, unemployed etc.

However to specify in short that our institution has concentrated on problems relating to (Domestic) women in distress & their dependant children &/or poor orphan girl children below poverty line.
